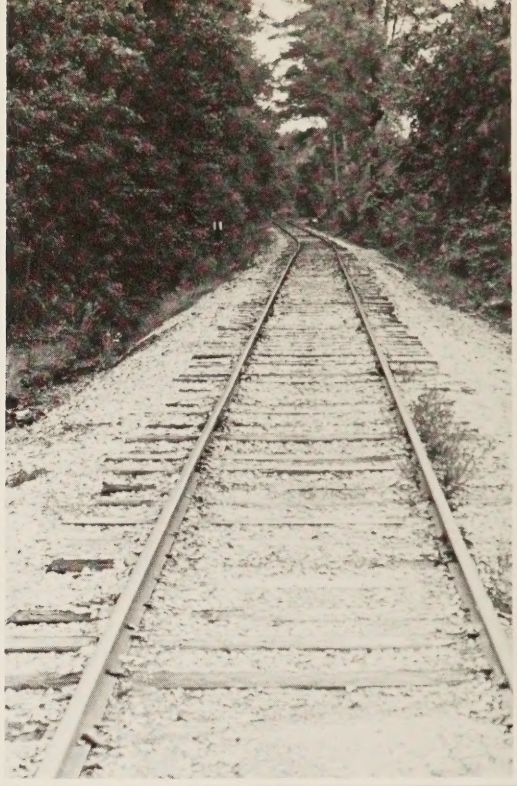
Truckin' On By!

"Truckin' on by!" Pride, cooperation, and teamwork are all a part of the "truckin' on by!" spirit felt by the students and faculty at Churchland High School. The slogan gained new meaning this year as many CHS students were recognized and rewarded for those long hours of practice. The marching band learned to keep "truckin' on by!" the judges and won several trophies, awards, honorable mentions and certificates for their marching and musical abilities. The Cross Country Team kept "truckin' on by!" to win the District Championship while the Golf Team kept their clubs "truckin' " to tie for first place in the Southeastern District. The Drama Club trucked their way to runner-up at the Virginia Theater Conference One-Act Plays Contest for secondary schools. Mark Lauer was awarded best actor. Even the cheerleaders echoed that "truckin' on by!" spirit through their cheer:

"If you don't believe us
And you think it's a lie . . .
Look to the side,
'Cause we're "truckin'
on by!"



Tracks. The famous "truckin' on by!" tracks.

Truckin' to finish. The Cross Country team keeps truckin'.

Made to order. Churchland Students identify with street sign.

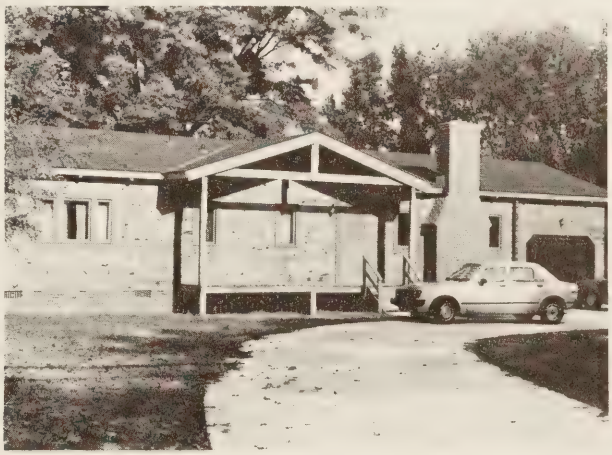
Cheers! . . . "cause we're truckin' on by!"

Rhythm on the field. Marching Truckers entertain at halftime.

Churchland, A Growing Community

The face of Churchland certainly changed during the year of 1983. New buildings and new roads became a familiar sight to area residents. Many new facilities opened to serve the people in different ways. A new Sears Surplus Store opened in the Churchland Shopping Center providing a wide variety of selected merchandise. On the corner of Towne Point Road, a new 7-Eleven opened to give customers their "freedom of choice" in food items.

Several doctor's offices opened their doors to provide much needed medical attention for the sick people. One building caters exclusively to children's care.



To make traveling to work easier, the West Norfolk Road was widened to accomodate the heavier traffic during those early morning hours.

Even with all the cement, bricks, and mortar being used to create a new Churchland, the log cabin on High St. brings back a touch of the country with its rustic appearance.

Theatre Arts Flourished At Churchland High School As Thespian Troupe #598 Performed

It takes many long hours of work and a total love and dedication to acting in order to make a character in a play come alive. The greatest satisfaction in the world for an actor is to hear the applause of the audience as they show their appreciation for those long hard hours put into making the play a success. The Drama Club and Thespian Troupe #598 along with their sponsor, Mrs. Debbie Scott, gave Churchland High School a season worth remembering.

The Drama Club and Thespian Troupe #598 of Churchland High School lit up the stage with many outstanding performances this year. These talented actors and actresses spent many long hours memorizing lines and rehearsing in order to provide the community with an excellent source of entertainment. Under the direction of Mrs. Debbie Scott, the students presented several comedies which included selections such as "Who's On First", "The Do-it-Yourself Frankenstein Outfit" and "Infancy". The smash hit of the London and Broadway stages, "Blithe Spirit was also a hit for the CHS Thespians. Closing the season for CHS, the Drama Club presented that well-known comedy, "My Fair Lady".

Portsmouth Becomes Home For AFS Student

Gabrielle de Villefranche has indeed become one of the many familiar faces at Churchland High School. A native of Brussels, Belgium, Gabrielle arrived last August and is spending this year attending CHS under the auspices of the American Field Services program.

Currently enrolled in a senior curriculum, Gabrielle is taking classes in the areas of shorthand, United States history, American government, English, art, and graphic arts. When asked if school in America was very different from school in Europe, she quickly responded, "oh yes! Our school day is longer — from 8:00 in the morning until 4:00 in the evening. Last year alone I took fourteen classes. But we did have a longer lunch period to eat and relax in."

Gabrielle is a typical 18-year-old who enjoys much of the same foods, activities and music as American teenagers. She too enjoys hamburgers, french fries, pizza, ice-cream and coke. Belgian youth listen to American music on their radios. "The hit music is in English, with maybe some songs from a few French or Belgian bands." As for recreation, Gabrielle enjoys going to the movies or to the beach (when the weather is warm enough) and sight-seeing. She has visited many historic places such as Fort Monroe and many entertaining places such as Waterside.

All in all, Gabrielle finds life here in the United States "exciting busy and always moving". Living in Tidewater has been a different experience for her. Upon her return to Brussels she will attend the university there, "perhaps to study psychology".

Getting acquainted. Gabrielle looks through CHS annuals from years past.

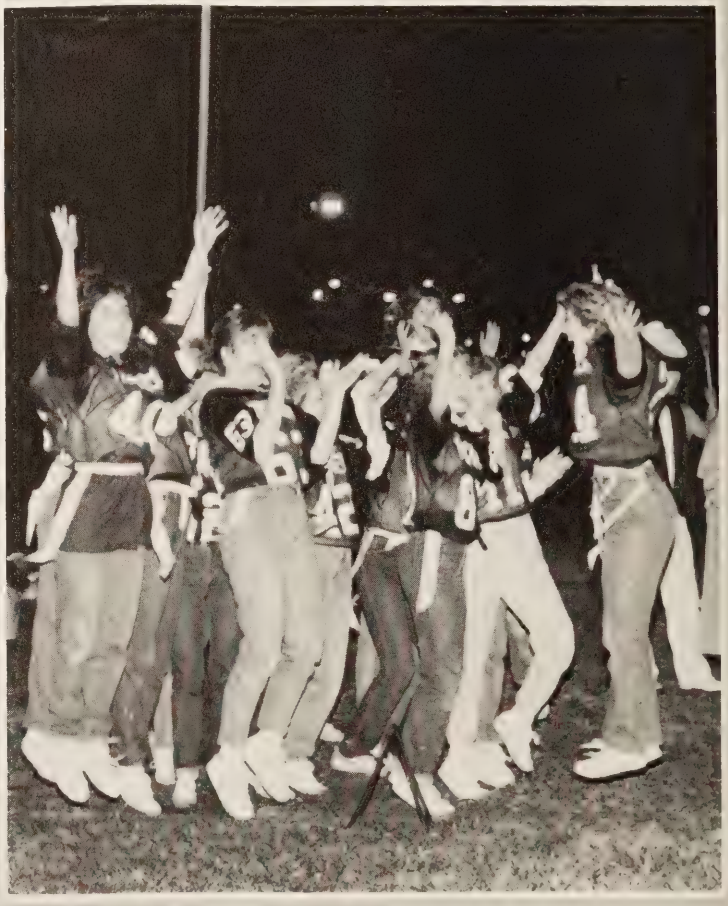
An ocean away. Gabrielle's home in Brussels.

Bring in the clowns. Gabrielle puts the finishing touches on her masterpiece.

Many miles separate Gabrielle from her family and native country. While she does admit to being homesick at times, she quickly adds that she feels very comfortable here at Churchland. "The students and teachers all have been very nice to me — especially helping me learn my way around".

As for Tidewater living, Gabrielle notes some similarities between Brussels and here. However, one exception seems to stand out. "The weather," she says, "is much cooler here than in Brussels."

Bruised knees, muddy shoes and tired, sore muscles were all a part of the traditional Powder Puff football game. For several weeks before the actual showdown, junior and senior girls gave up their soap operas and hour-long telephone conversations to practice for the big event.



Coached by members of the varsity football team, the girls practiced hiking the ball, calling signals, and even a few trick plays. This year's game was a tightly fought contest. Both sides had good offensive moves and even better defensive plays. The seniors emerged victorious pulling out a squeaker. The final score was 14-8. "I've never hurt so much in my entire life," said Cathy McCoy as the juniors went in at halftime to work on some new strategy. But she added quickly, "It's fun too!" The evening turned out to be a profitable adventure for both classes as the proceeds were added to each classes' treasury.

Down, Set, Hut 1, Hut 2 . . .

The men at Churchland took on a new look for their part in the annual Powder Puff football game. They were amazingly transformed into vivacious cheerleaders with the help of wigs, dresses, make-up and plenty of padding. They practiced long hard hours to perfect their cheers and gyrations. The crowd responded favorably to their sideline performances. "Never has there been such a motley crew of cheerleaders in one place at one time", remarked a sideline observer. The guys had a great time entertaining the crowd and demonstrating their agility in a skirt.

Homecoming '83

Fantasyland

Glass slippers, houses made of candy, alien beings from another world, tin men and scarecrows all filled the imaginations of students as they participated in the festivities of Homecoming Week. The theme of this year's celebration was Fantasyland.

The spirit competition among the classes ran all week long. Although the seniors did not win every event, they were credited with a first place in most. One of the victories was Crazy Day where togas and sandals appeared as the uniform of the day. The Spirit Link Contest, which yielded a colorful construction paper chain to decorate the stadium was another senior achievement. Other senior victories included the Spirit Contest, held at the pep rally and the Mystery Man Contest. In this contest students needed to find the person dressed in the Cradock Admiral's jersey, and give them their name and class. The Spirit Bowl and the Traitor Day competition were the other wins snatched by the senior class.

One prize the seniors couldn't claim belonged to the junior class for their colorful and imaginative float entitled, "Candyland".

The sophomore class also laid claim to a victory for the annual bonfire held Wednesday night. With admission being economically priced at one piece of wood, many people came to watch the blaze as it lit up the surrounding areas. Helping to generate Trucker spirit at the bonfire were the band and cheerleaders.

For the girls of the Homecoming Court, this was a fantasy come true. The members of the Court were introduced to the student body at Wednesday's assembly. Freshman Theresa Slezak was escorted by Rick Holtzman while sophomore Bonnie Babb was escorted by Thomas Batchelor. As candidates for the title of Maid of Honor were juniors, Julie Andrews escorted by Brian Hinton; Danette Daniels escorted by Bill Crone; Kim Heise escorted by Scott Morris; Cherri Porter escorted by Judd Mendelson; Robyn Twine escorted by Ross Wellons. The seniors competing for the honor of becoming Homecoming Queen were Andrea Akers escorted by Derek Lilley; Elizabeth Grigg escorted by Mark Marshall; Yvetta Hardy escorted by Erick Jones; Rhonda McDonald escorted by Bobby Kemp; Colleen Parker escorted by Sean Doyle; Sonja Venters escorted by Gene White.

The annual homecoming parade, led by Principal Edgar M. Morgan marched from Roses parking lot to Churchland High School. Participating in Friday afternoon's event were the JROTC, the Marching Trucker Band, the class floats, the cheerleaders and the Homecoming Court. Little Miss Portsmouth put in a guest appearance for the occasion.

Friday evening during half-time activities a surprised but delighted Yvetta Hardy was crowned Queen. Junior Robyn Twine was announced as Maid of Honor. The Churchland Truckers took the field with high hopes of defeating Cradock's Admirals. Although the Admirals eventually went on to win the game, the varsity football players mustered together and demonstrated fine team work.

The final activity of the week was the Homecoming Dance held in the gym. Special thanks and appreciation need to be extended to the SCA, under the directorship of Mrs. Dussia for all the hard work and long hours that went into making this a special day.

A COLORFUL EVENING

Brilliant colored balloons and fantastic floats. Enthusiastic coaches and determined players. Peppy cheerleaders and rowdy crowds. Perfumed roses and a glimmering crown.

All of these bring to mind the memorable celebration of Homecoming '83. All of these helped to make it a "colorful evening".

Have you ever wondered who replaced those burnt out light bulbs or fixed the leaky roof? Have you ever wondered who washed the chalkboards and cleaned up all those potato chip bags and Coolie cartons? Or have you ever wondered just who cooked all those wholesome and delicious meals in our cafeteria?

Churchland High is indeed fortunate to have one of the finest custodial and cafeteria staffs in the area. While they are not always in the limelight, there isn't a day that goes by without the need of their services.

They do indeed work "behind the scenes", but each one of them is dedicated to making each day go as smoothly as possible. The faculty and students applaud their fine work.

All In A Days Work

"Students at Churchland are not always neat," says Mrs. Battle as she bends down to pick up another empty cup. Each day she can be seen working to keep the floors, windows and lockers at CHS so spotless. She receives help from the custodial crew who work diligently washing chalkboards, straightening out desks and sweeping floors after school hours.

And if a pencil sharpener breaks or a pipe bursts, Mr. Patilo can easily be recognized fixing it. He can be spotted at a glance by the thousands of keys that he wears. His walkie-talkie keeps him in touch with the office.

Dressed In Style

The four basic styles of dress at Churchland this year were punk, prep glamor and the good old stand-by — jeans. Last years most popular dress — punk rocker — was only worn by a few people. This mode of dress included bracelets with spikes, ankle length pants and tee-shirts adorned with "combat rock". Prep was still alive and doing well at CHS. Those sporting the prep fashion were wearing wool skirts and monogrammed crewneck sweaters. Many female students came to school in a very galmorous style. These high fashion outfits would not be complete without four inch heels and a satin blouse. However, jeans and a tee-shirt were by far the most dress in the halls of Churchland. Jeans ranging from pinstripes to baggies to regular straight cut were worn by gals and guys alike. The fashion for many of the football players had been CRUTCHES. Many football players were using crutches first semester because they were willing to go all out for Churchland. Churchland High was definitely dressed in style this year.

A Stitch In Time . . . Or Too Many Cooks . . .

The Home Economics classes at CHS experience the thrills and frustrations of creating their own projects. Whether it be in the kitchen concocting a delectable dish or sitting at the sewing machine piecing together a fashionable outfit, students learn the essentials. There have been many days when the titallating aromas have wafted through the halls making stomachs growl and taste buds water.

Learning Through Doing

Manufacturing, woodworking, plastics and graphic arts are some of the different avenues open for exploration in the Industrial Arts Classes at Churchland. Students learn technique and safety in handling the various machines required in producing a project.

SPIRIT

Spirit was the key word at Churchland this year. "Trucker Spirit" permeated everyone's senses. It was seen in the black and orange uniforms proudly worn by both the players and cheerleaders. It was viewed in the spirit buttons pinned on CHS faculty and student body.

"Trucker Spirit" could be heard at the pep rallies where many a voice was lost proclaiming that famous Trucker pride. It resounded in the cafeteria as everyone from freshman to senior declared their class as the best.

"Trucker Spirit" could be felt at the games where loyal Churchland fans banned together to support their team.

"Trucker Spirit" is certainly catching. "The next thing you know, you're screaming louder than the next guy," remarked Kim Brown in between cheers.

ROTC Molds Future Leaders

This year the United States Marine Corps celebrated its 208th birthday. Churchland High School's ROTC joined in that event with a birthday party of its own. According to tradition, the oldest and youngest member of each platoon are given the honor of tasting the first piece of cake.

The Marine Corps Junior Officer Training Corps provided Churchland High School students with the physical and mental training necessary for careers in the armed services. ROTC members also acquired leadership, communication, and public relation skills required in the working world.

The ROTC participated in many school related events from marching in the Homecoming Parade to undergoing physical endurance tests. In the spring, an awards ceremony to honor graduating seniors was held. Those receiving special achievements and awards were recognized.

Membership in the National Honor Society is determined in accordance with criteria in four areas: character, scholarship, leadership and service. Teacher recommendations play a valuable role in determining these outstanding scholars. A ceremony in which the new members were tapped was held in the early part of the school year. These members were presented with a membership certificate from Mrs. Charlotte Beale, after whom the chapter at CHS is named. A reception for members and their families followed.

Marshals Are Chosen

Selected members of the junior class are chosen each year to serve as Marshals for Churchland High School. Marshals must possess certain qualifications such as having an all-around good character and over a 3.0 grade point average. Along with these requirements, teacher recommendations, leadership - bility and an amiable personality enable students to achieve the honor of being named as a Marshal.

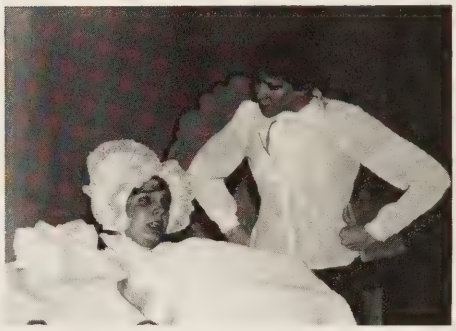
The duties of the Marshals include ushering at any choral or drama production and hosting guests and visitors here at CHS. The Marshals are sponsored by Mr. William Gatling.

The Art Of Acting

Thespians. First Row: Jody Gresham, Susan Duke, Don Wade, Kim Heroux, Jill Bari Steinberg. **Second Row:** Janet Woody, Wendy Underwood, Paige Pearce, Mike Joyner, Dorothy West, Mark Lauer.

Actors have been taking bows and curtain calls since Thespis, the first actor, appeared on stage. The Thespian Troupe #598 of Churchland High School is no exception to this rule. Many fine performances were presented by this talented group of young men and women.

The organization this year was made up of fifteen members. In order to recognized as a Thespian, each performer had to acquire ten Thespian points. These points were awarded on the basis of backstage work, ticket sales and participation in CHS productions. Honor Thespians have accumulated sixty points.



These four people have received the distinction of being named an Honor Thespian. They have accumulated sixty points to their credit. They are, Mark Lauer, Dorothy West, Paige Pearce and Mike Joyner.

First Row: Mr. Joseph Yancey, Roberta Lewando, Robin Yarbrough, Miss Iris Cooper. **Second Row:** Rosemarie Pasag Llantos, Merrill Teemant, Colleen Parker, Kim Huffamn, Pam Broadston. **Third Row:** Judd Mendelson, Mike Mara, David Selling.

Spanish Honor Society

The Spanish Honor Society is strictly a group for students who excel in Spanish. In order to be considered for membership in the Honor Society, a student must have completed three semesters of high school Spanish. A grade of "c" or better for the semester is also a requirement.

Lastly, a student must have achieved a semester Spanish grade point average of at least 3.5. The Spanish Honor Society is under the direction of Miss Iris Cooper and Mr. Joseph Yancey.

Choral Honors

Talent, diligence, and dedication are but a few of the qualities which characterize those persons who achieve the distinction of being recognized as an outstanding choral student. These students have demonstrated their abilities in a variety of ways through musical productions here at Churchland and also in district and state competitions. They also participate in many civic activities. The CHS Chorus is under the direction of Mrs. Faye Buckley.

Making The Last Year The Best

In the words of one senior, "This year's officers have been the best".

President, Bruce Busila kept the senior class up to date on all the changes that affected their class. He let the seniors take an active part in whatever happened. Along with the other officers, he circulated petitions, held class meetings and tallied votes dealing with school related activities.

For the fourth consecutive year, Mrs. Lucy Lassiter served as senior class sponsor. Other class officers were Dorothy West, vice-president; Colleen Parker, secretary; Margaret Rawles, treasurer.

JUNIORS

CLASS OF '85 FACES BIG CHALLENGE

Leading the junior class this year were Jun Chung, president; Judd Mendelson, vice-president; Debbie Murphy, secretary; Mike Mara, treasurer.

Once again the major problem of the junior class was money. Getting enough money to have an "unforgettable prom night" was a real concern of all class officers along with sponsor, Mrs. J. Glisson. But the Class of '85 has always had the reputation of coming through in a pinch. "I know we'll pull through this and be able to breathe easy", said Mike Mara, treasurer.

On the lighter side, the juniors were proud as peacocks for having won first place for their Homecoming float. Jun Chung stated, "We put forth a terrific effort".

Officers face obstacles. Judd Mendelson, vice-president; Debbie Murphey, secretary; Jun Chung, president; Mike Mara, treasurer faced big challenges during the year.

Here Comes The Bride

Churchland High School's auditorium provided the setting for two mock weddings sponsored by the Home Ec III and Family Living classes. The wedding is the "grande finale" of the unit taught on marriage.

The participants in this year's nuptials were Debra Simon and Nathan Thomas, Missy Griffith and Gary Brocksmith who tied the knot in a double ceremony. Darlene Covey and Mike O'Hara were pronounced man and wife later that afternoon. The ceremonies were enhanced by soloist, Amy Adams who was accompanied by pianist, Sonja Venters.

Tuxedos for the grooms were donated by Mitchell's and The Famous donated a bridal gown for the occasion. Giant Open Air contributed a cake for the reception, which was held in the cafeteria.

"The students did an outstanding job in their preparations. I really believe it was a huge success," remarked Mrs. Cavender afterwards.

Sleepwalking?

What do we have here? Could it possibly be that Mark Hargrove's alarm clock went off too late? Or could it be that he was sleepwalking through the halls of CHS?

Why no. This unusual get-up was just one of many worn by students during Crazy Day. The halls, cafeteria and gym all came alive with a wide variety of zany garb. Mark graciously grinned as the camera caught him in his p.j.'s.

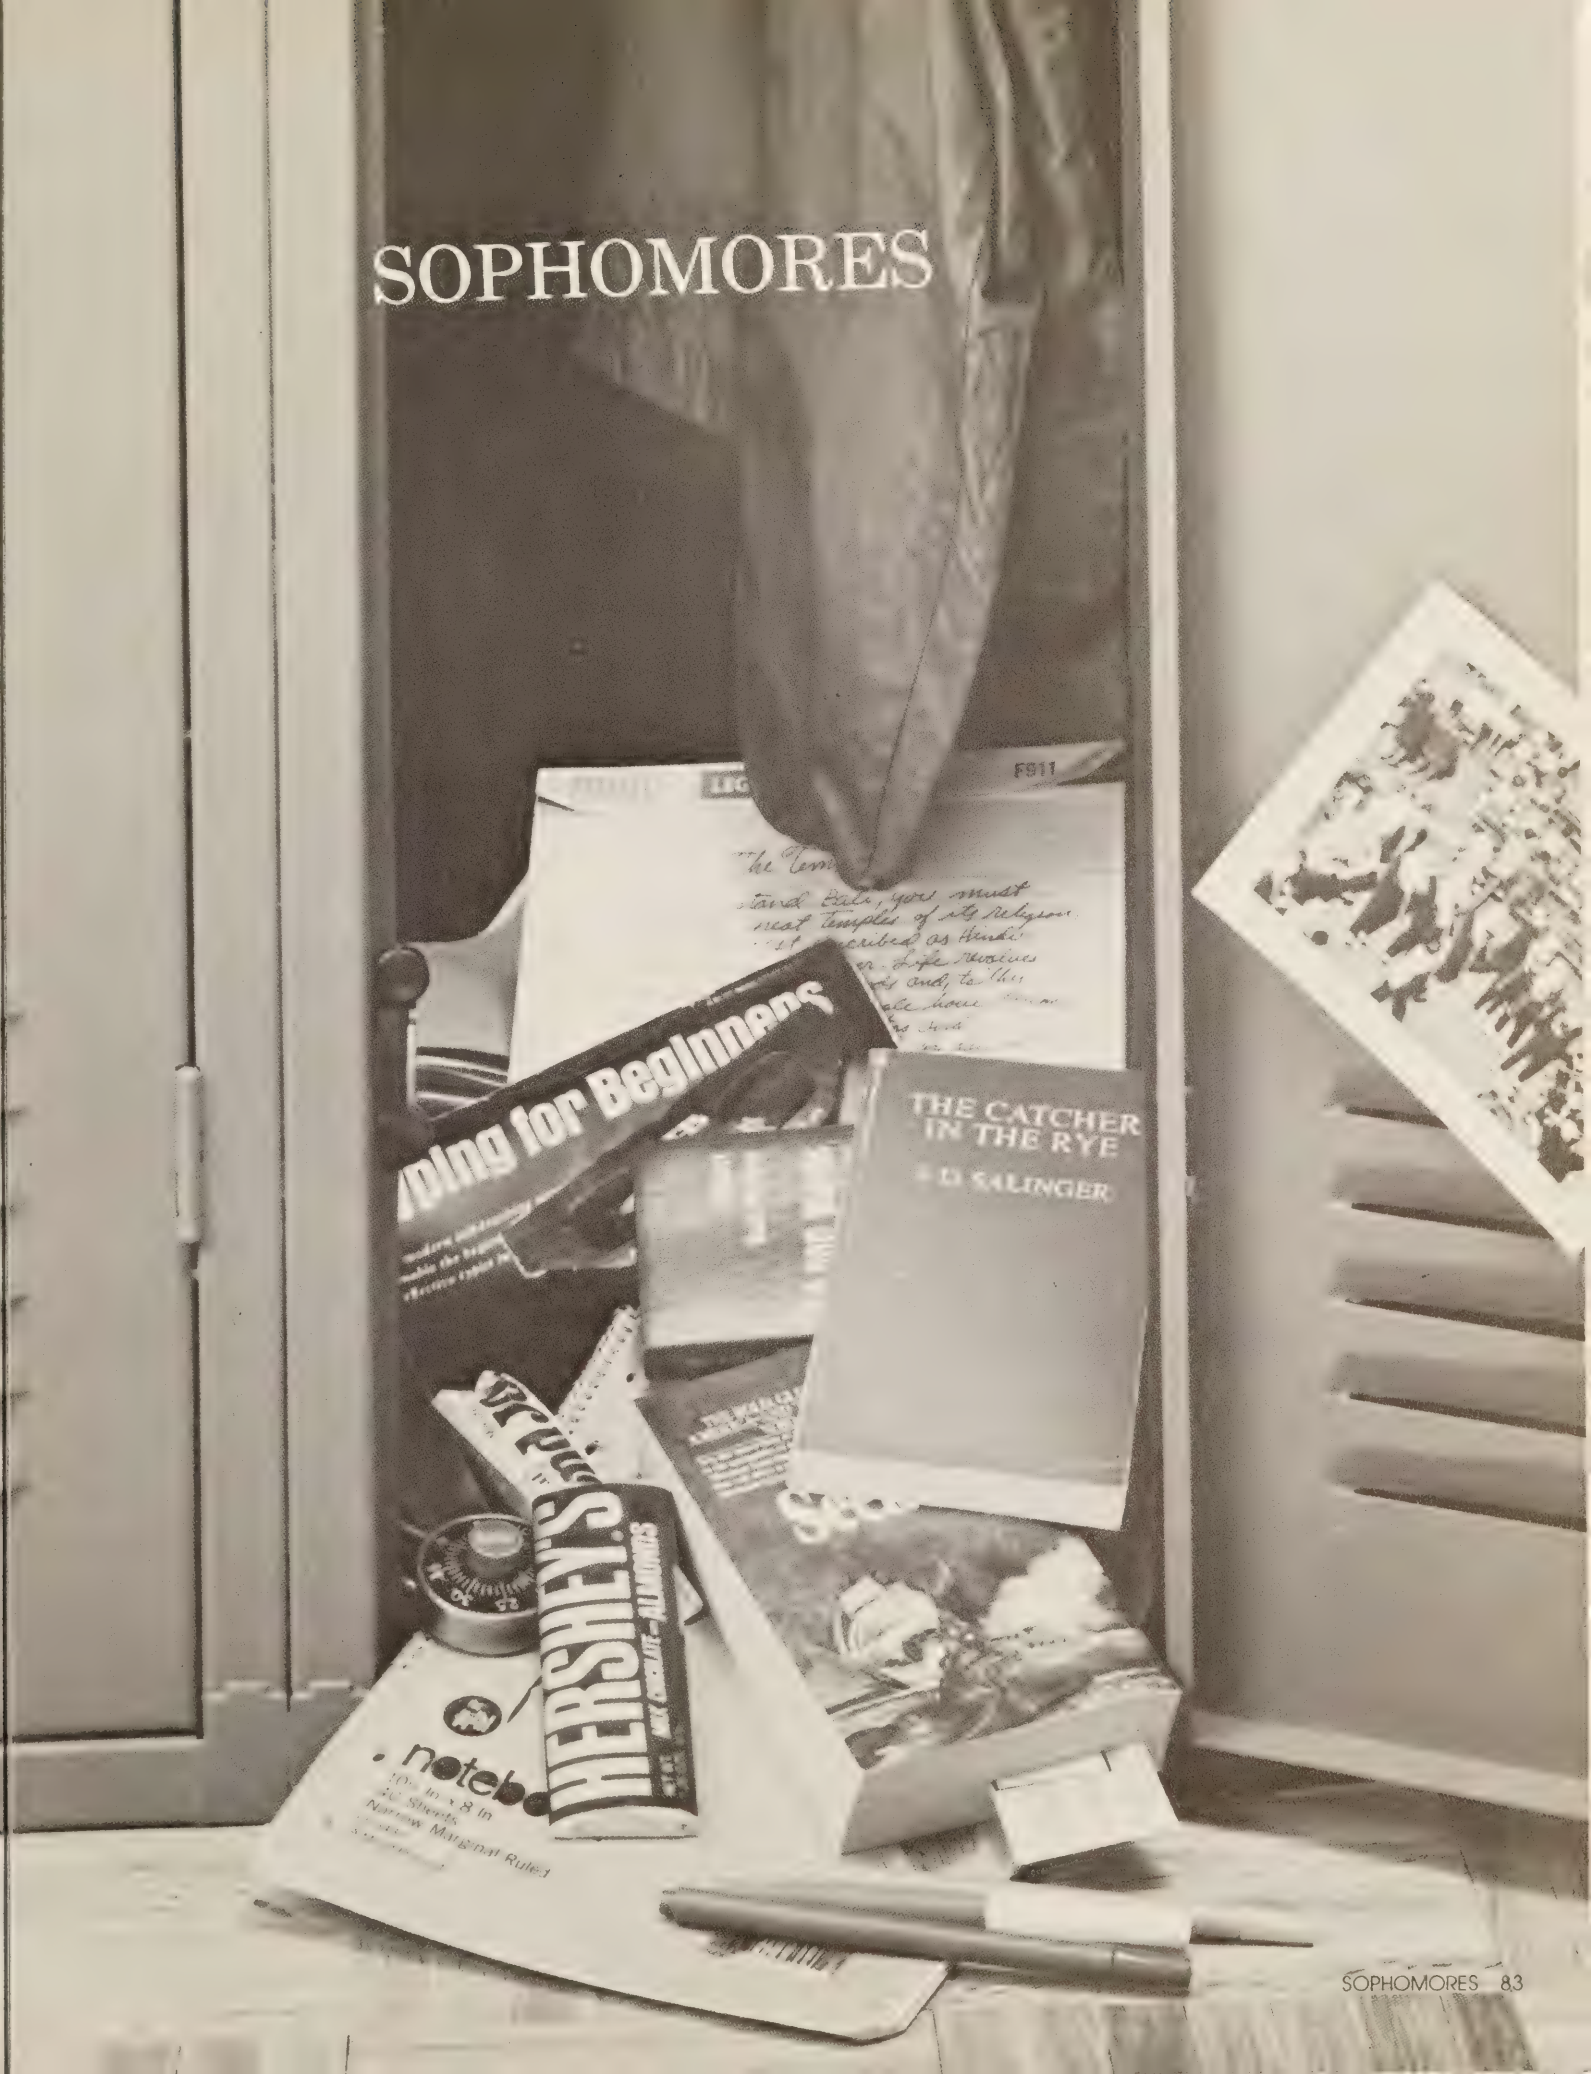
SOPHOMORES



SOPHOMORES: THE CLASS WITH "CLASS"

Having moved into their second year at Churchland High School, the sophomore class elected four new leaders. Chosen for the office of President was Thomas Batchelor. When asked about his plans for the sophomore class Thomas commented, "I am going to do the best I can for the Class of '86 — the class with **class".**

Lending their assistance throughout the school year were officers Gary James, vice-president; Lisa Kirsch, secretary; Susan Neville, treasurer.

The Class of '86 demonstrated their "class" along with their spirit by placing second in the Homecoming Spirit Week Contest.

Freshmen Officers Committed To Involvement

Voted into office by their fellow ninth grade students, the freshmen class officers felt they were confronted with an important job — just how to make this school year an enjoyable one.

When asked how she accomplished this task, president Beth Burkhardt stated, "I had to be a part of what went on".

Felicidad Calica, vice-president and Sharon Blick, secretary, both tried to make the year "exciting and memorable".

Involvement was a big motivator for class treasurer, Theresa Slezak. "My friends were running. I wanted to know what's going on. I wanted to be a part of it", replied Theresa.

Newcomers to CHS: Freshman class officers; Beth Burkhardt, president; Theresa Slezak, treasurer; Sharon Blick, secretary; Felicidad Calica, vice-president share responsibilities.

Hard at Work. Mr. Edgar M. Morgan, Principal, sifts through the paperwork on his desk.

Faculty And Administration

Hard Work

A bell rings. Students shuffle papers, books, pens and pencils. A teacher waits patiently to begin. The dictionary defines teacher as a person who aids in the learning process; one who shows how to do.

The teaching staff at Churchland High School certainly personifies that definition. But the faculty at CHS is not your ordinary faculty. With a total of sixty teachers, our teaching staff offers the best in wholesome and sometimes fun-filled education. Each instructor brings to every class a special "uniqueness". So whether you are learning to shoot a basket with Mrs. Glisson, or being introduced to the medieval period by Mr. Paige, there is always something new to learn at Churchland High. For alot of teachers, the day doesn't end at 2:15. Some are engaged in extra-curricular activities such as basketball, gymnastics, the Science Club, the marching and concert bands, or other clubs. Others are staying back to make sure that their students understand what they are learning.

All in all, with an average of 13.7 years of teaching, we can see that our teachers are here to give us what they can offer — a good education.

Students' Work In Community

DECA teaches students responsibility and leadership. It provides the student with an insight into the business structure. Students can choose Distributive Education as an elective. They can actively participate in D.E. I, D.E. II, D.E. III, or in Fashion Merchandising. This year, sponsors, Mrs. Diane Brown and Mrs. Nancy Jones had 78 students participating in the Work Release Program. The students received a second credit for their work in local businesses during school hours.

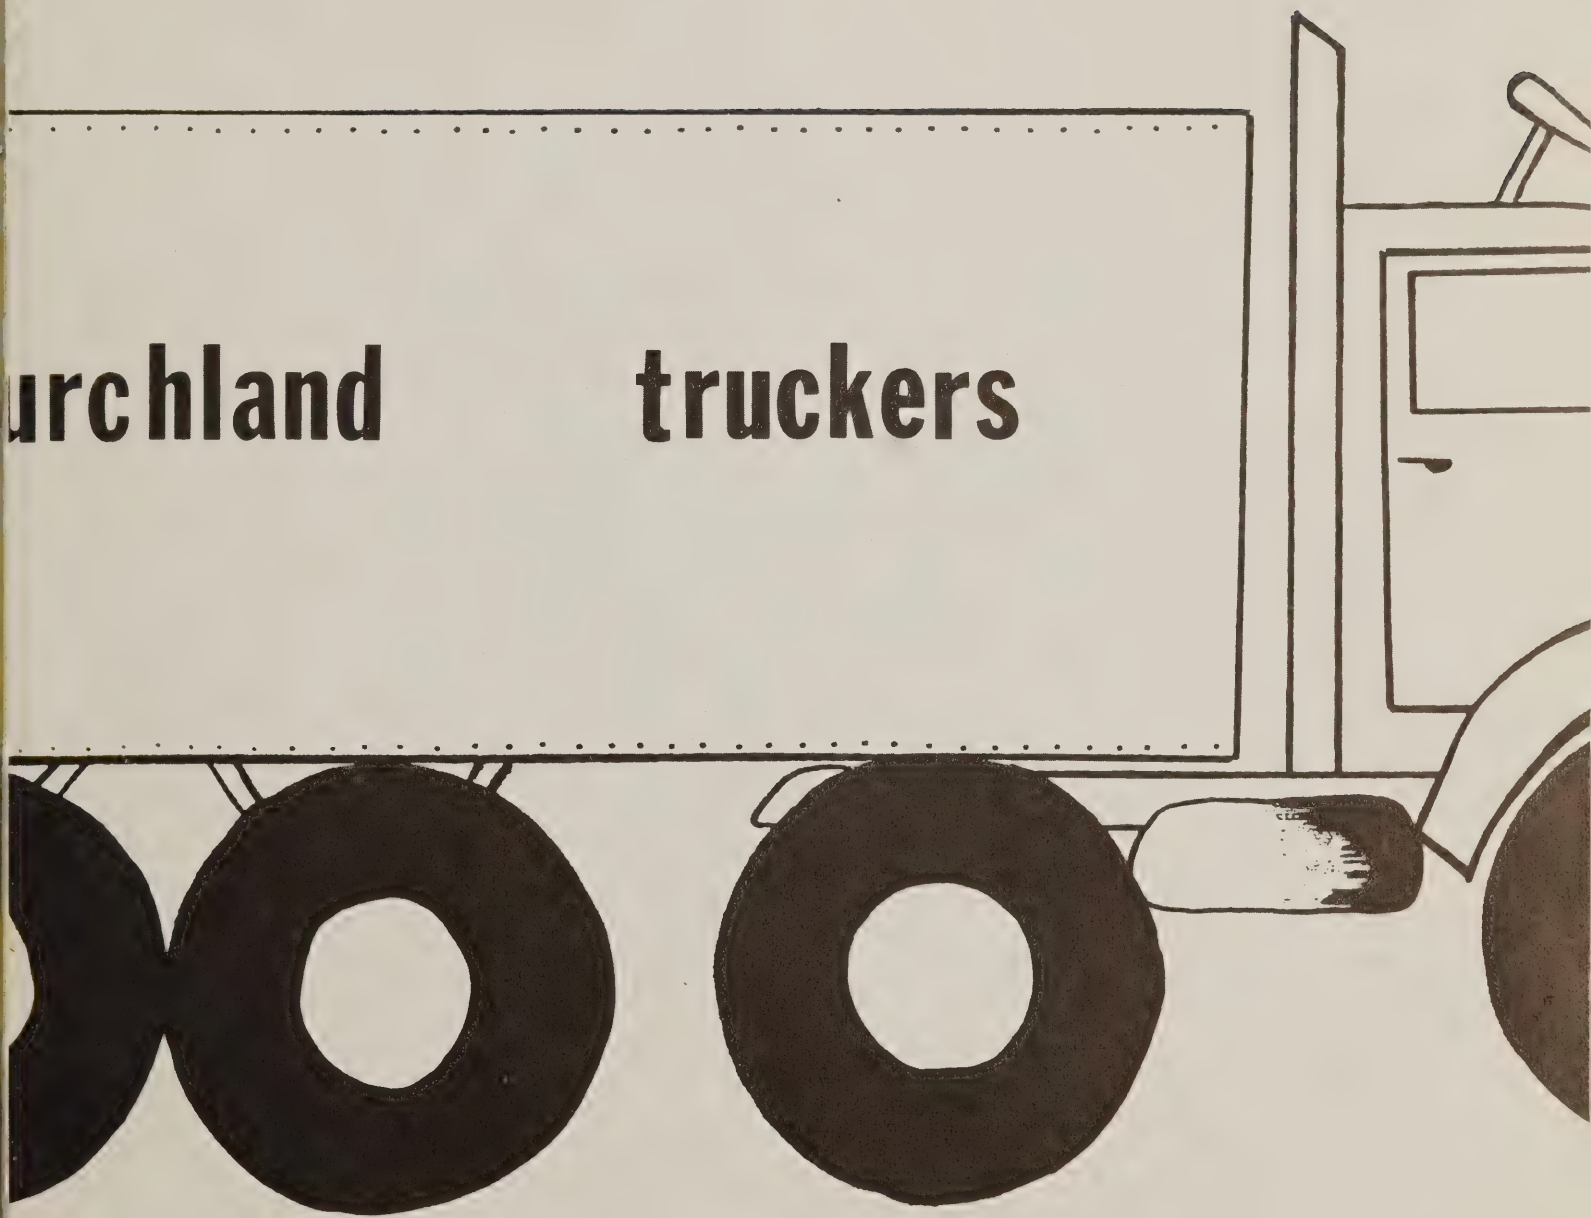
D
ch

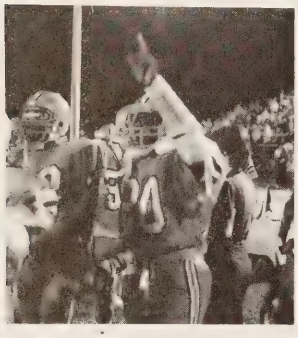
sports



While some sports at Churchland were played in district competition, others were played for fun. The annual Powder Puff game is an example of that fact. The Cheerleaders of CHS added their own "truckin on by!" spirit to the games by entertaining the fans and spurring on the team players with their famous cheers.

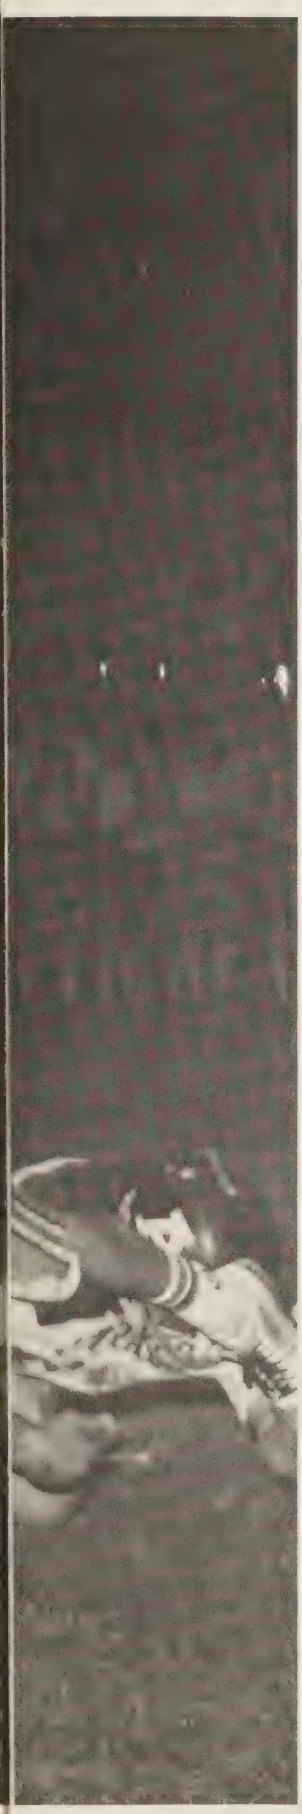
Running laps, pumping iron, learning layups were all a part of the preparations undertaken by the CHS athletes. Getting ready for a game both physically and mentally is important for the player of any sport. Churchland's players dedicated themselves to that ultimate goal — WINNING — by practicing from sunup to sundown in all sorts of weather. While not every outing resulted in a victory, the players of CHS competed with pride in themselves and in their school.

Injuries played a key role in the outcome of the 1983 season. By the last game against Warwick, the Truckers had several players sidelined with knee injuries. Quarterback Robert Farmer, finished the season with 800 yards passing. Jeff Hale, the team's leading rusher posted over 350 yards.



Trucker team members never gave up even though their team had a losing season.

The Varsity Football Team showed offensive strength and determination in the Homecoming Game against Cradock. But all was in vain as the Truckers were defeated 13-15.



If Only Faith Could Move Mountains

The Varsity Team had the will, determination and the desire to win, but even its winning attitude could not change the outcome. Their actions did not live up to their expectations.

The Varsity Football Team began the season full of the spirit, drive and determination necessary for a successful season. Both the coaches and players had high hopes for the Truckers. "At the beginning of the season, I honestly thought we would be one of the top teams," said senior quarterback Robert Farmer.

The team began its play in the Southeastern District with two disheartening losses to Oscar Smith and Woodrow Wilson. But the team bounced back from its initial defeats with a win against its arch-rival Western Branch. For that key game, Head Coach Strickland took a pumped up varsity team on to the grid iron. "The team played like we knew they were capable of. We got a break at the end of the game and capitalized. A Western Branch player fumbled the punt return, we fell on it and took it in for the only score of the game".

Lack of experience, lack of speed and injuries at key positions were among the contributors to the disappointing season. The Truckers were riddled with injuries from the start. During the first seven games the coaching staff stood by and watched strong developing players being lost to injury.

Although the Truckers finished the season with a 1-9 record, the team members never quit driving, never quit trying and never quit working together. "This is the best group of individuals I've coached in a long time. They may not have had as much talent or as much speed as we've been used to, but they have heart," stated Coach Strickland.

Gilbert Jones, named to the All-City Team, prepared to punt the ball. The crippled Truckers had a hard time mounting a consistent offensive attack. They accumulated only 65 points while they gave up 233 points to their opponents.

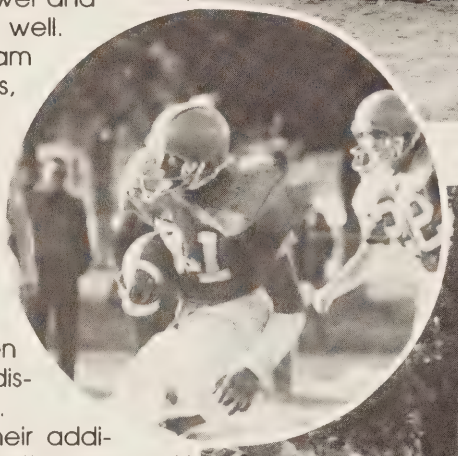
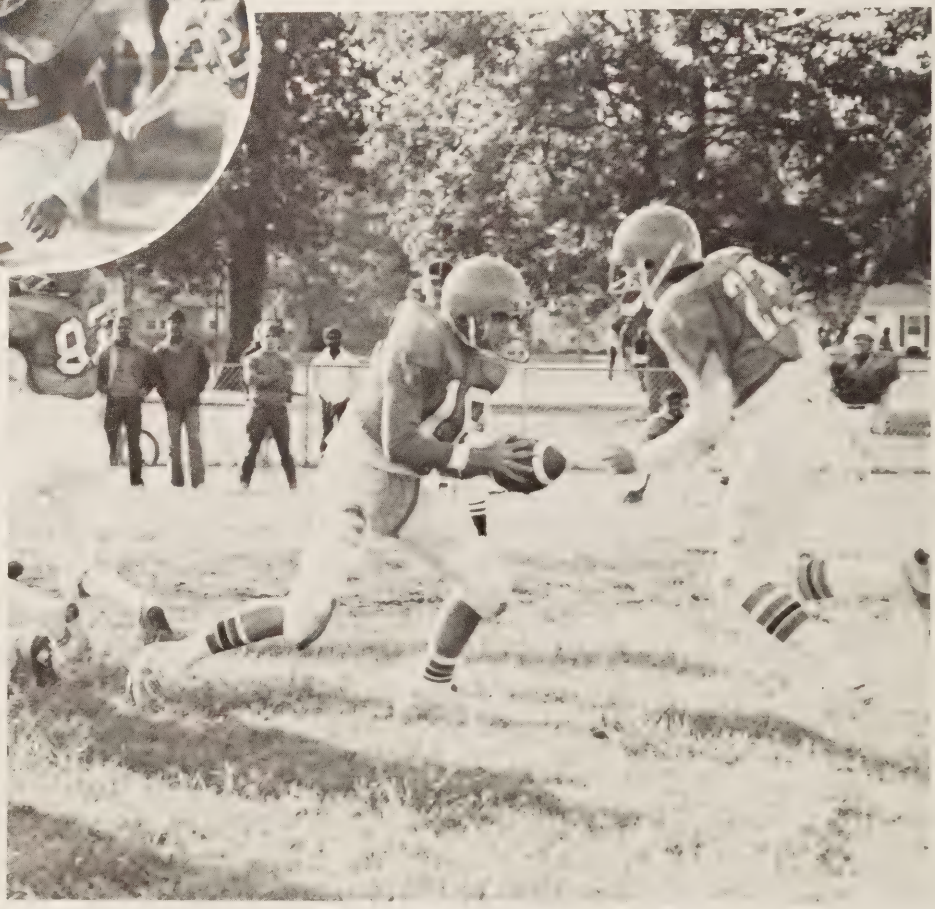
The 1983-84 Junior Varsity Team. First Row: Kelly Carson, Jake Council, Sherrod Wright, Glen Lewis, Jay Smith, Trey Rhodes, Gary Haynes, Burt Thompson, Pat Farrell, Orin Hawks. **Second Row:** Coach Beardsley, Steve Pritchard, Billy Hanbury, Brian Edenfield, Mark Powell, Carroll Richards, Jon Cobb, Darrell Brown, Jim Babb, Tony Brown, Dave Rotundo, Scott Perry, John Dukes, Glen Crawford, Coach Lawrence. **Third Row:** Brian Cutchins, Rodney Hall, Rick Holtzman, Tony Edwards, Tony Boone, Scott Ethridge, Chris Bundy, Wayne Phillips, Steve Gay, Charles Twilliger, Cary House, Robert Porter.

The Junior Varsity Football Team finished the 1983-84 season with an impressive record of 3-3-1. The Baby Truckers demonstrated a great deal of strength, power and agility in finishing so well. Even though the team had some key injuries, Coach Beardsley was quite pleased with the effort put forth by the j.v. players. "If we hadn't had those injuries at the start of the season, I think we could have been in contention for district championship.".

Recognized for their addition to the junior varsity were outstanding players: Tony Edwards, freshmen and sophomore, Lee Cobb.





End around. Offensive line blocking makes play work.

Hand off. JV runs play for needed yards.

Par Four!

The Golf Team, coached by Sgt. Major Tate had a very successful year and in the Southeastern District. The defending champion Truckers came into the season with hopes of possibly going on to the state championship.

The Truckers finished the regular season tied for first place with Indian River and Great Bridge. However, in the Southeastern District Tournament, played at Sleepy Hole and Stumpy Lake, the Golf Team came in a disappointing third — just four strokes behind the winner, Indian River. In the Regional Tournament, played at Hell's Point in Virginia Beach the Truckers finished in a tie for fourth place. Five strokes separated the team from the regional champion, Great Bridge.

Tee it up. Bland Burkhardt keeps his eye on the ball.

The 1983 Golf Team. First Row: Jack Tynch, Bland Burkhardt, David Frye, Keath Reynolds. **Second Row:** Brian Pleasnats, Chris Garrett, Jim Pittman, Sgt. Major Tate

1983-84 Girl's Tennis Team. First Row: Jennifer Slowey, Lisa Kirsch, Jennifer Watkins, Stacey Murphy, Ellen Merritt. **Second Row:** Gee Kim, Elizabeth Wiggins, Pamela Hunt, Anne St. George, Heather Hurlburt.

"Tennis is a very challenging and yet a very rewarding sport. Every volley has to be perfect in order to achieve what you want". These words, spoken by Pam Hunt, summarize the feelings of each and every player on the Churchland High Girl's Tennis Team.

This year the team placed third in the overall standings of the Southeastern District. Coached by Mr. Steve Liles, the girls spent many hours perfecting their serve along with their forehand and backhand strokes. The team matches took place at Churchland Park Courts. These are hard courts made of asphalt which makes the game much faster.

Pam Hunt, after just two years of playing time was seeded fourth in the District. Pam was a sophomore at CHS and attributed her success to attending a tennis academy every summer in Florida.

Anne St. George had the best record in the District and was Churchland's number five player. She lost only one match in competition.

Running The Extra Mile

Headed for the finish. Christopher Terry and Merril Teemant kick for the tape.

The 1983 Churchland High School Cross Country Team ran through the season with high spirits and great experience. This year, Churchland was proud to have the District Champions. To prepare themselves for this winning, the members of the Cross Country Team could be seen running up and down High Street as well as school halls.

Coach Shelton Wilson was extremely proud of the team. Many signs were hung on the walls throughout CHS proclaiming the congratulations deserved on a job well done.

Over the hills. Deshawn Wood and Joel Teemant show strong endurance through the miles.

The last leg. Joel Teemant eyes the finish.

Don't give up the "Ghost". Sam Thomas, known to all as "Ghost" lays up a shot good for two points in a game against Wilson.

Missed Free Throws And Rebounds Lead To 5-11 Season

"Frustrating — just frustrating," was the only word that senior player Robert Farmer could use to summarize Churchland's varsity basketball season. Robert, who played guard, went on to explain that at times the players became so frustrated with themselves and each other that they began to argue. "Everybody always says it's the ref's fault — but there were games when we just couldn't put it together."

The Truckers came away this season with a record of five wins and eleven losses. Coach Shelton Wilson explained that a lack of height in the team and getting into foul trouble early in some crucial games hurt the Truckers.

Senior Mike Williams was the leading scorer Churchland. Mike played forward this season.

Probably the most exciting game this season was played against arch-rival, Western Branch. The game went into triple overtime with Churchland emerging as the winner. The toughest fought game was the contest against Deep Creek. Churchland pulled out a two point win.

The Truckers lost senior players Robert "Hot Dog" Farmer and Mike Williams this year, but Coach Wilson looks forward to next season with many returning players.

Returning Players Raised Churchland's Hopes

1983-84 Boy's Varsity Basketball Team. First Row: Kevin Young, Robert Farmer, Anthony Jones, Terry Norman. **Second Row:** Sam Thomas, Rick Gregory, Anthony Edwards, Brett Cox, Mahtorhee Bell, Mike Williams, Anthony Houston, Craig Whitehead.

Off the floor. Tony Brown lays up a shot for the Baby Truckers.

Lady Truckers Suffer Disappointment Over Poor Season

Jump ball. Tammy Goldsmith stretches to tip the ball.

Sometimes strategies that look good in practice don't always work the way they should on the court. The CHS varsity team was a determined group of young ladies who put everything they had into each and every game. Team size was a factor that seemed to hinder the girls from being a contender in the district. Under the direction of new head coach, Debbie Eagen, the girls practiced daily for their Tuesday and Friday night scrimmages.

1983-84 GIRL'S VARSITY BASKETBALL TEAM. First Row: Tina Strickland, Tammy Goldsmith. **Second Row:** Coach Debbie Eagen, Lisa Williams, Bonnie Myers, Michelle Galumbeck, Tina Davis, Yvette Perryman, Kathy Pfeiffer, Jessica Mann.

On its way. The Lady Truckers won't be shut out from scoring. Here Tina Davis shoots over three Wilson defenders to add two more points to the Churchland score.

The CHS girl's Varsity team never gave up trying. When the going got rough, the girls reached down inside and tried just a little harder. Controlling the ball and controlling the boards was their number one goal. The hardest fought game for the Lady Truckers was against Western Branch.

Little Lady Truckers Gained Confidence And Experience As Season Progressed

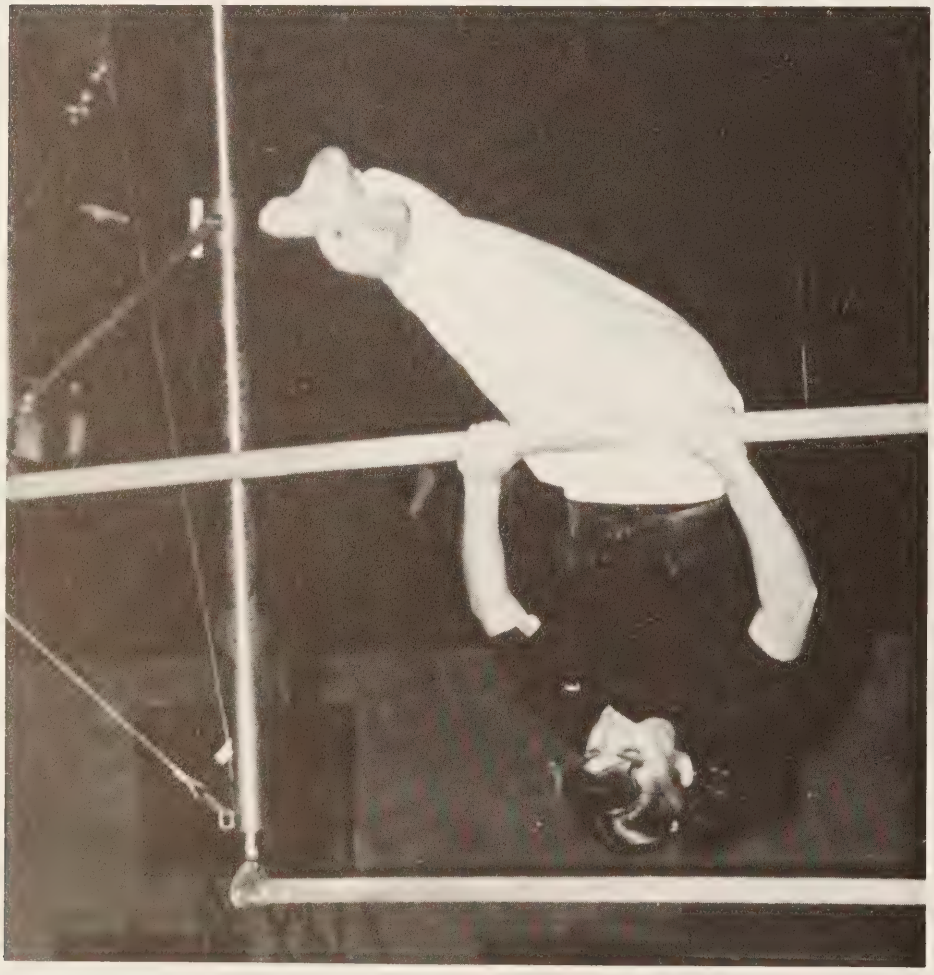
The Churchland High School Gymnastics team had ten members competing in the 1983-84 season. Under the direction of Coach Joe Bystrom, the girls practiced to perfect their routines on the balance beam, parallel bars and in the floor exercises. The CHS gymnasts won several meets this year.



Hold it. Suzanne Kline perfects her technique on the uneven bars.

1983-84 CHS Wrestling Team: First Row: Warren Powell, Mike Ratanaya, Curley Speller, Lee Cobb, Guy Hale, Judd Mendelson, Gary Darr, Lee Havird. **Second Row:** Coach Beardsley, Mike O'Hara, Laryy Peck, Jeff St. George, Terry Hyams, Nathan Thomas, John Outten, Coach Mounie.

"Wrestling is a challenging sport where it's just you against your opponent," remarked Trucker wrestler Judd Mendelson. According to Coach Mounie, a person not only has to be quick with his hands and feet but a fast thinker as well. The Trucker Wrestling team finished with a .500 for the 1983-84 season. Most of the team members were underclassmen this year so the coaches are looking forward to a fine team next year.

JV Cheerleaders Show Enthusiasm

"Trucker Pride" is what was felt each and every time the junior varsity cheerleaders stepped out from the sidelines. "Trucker Pride" is what could be heard in the voices of the girls as they rhythmically chanted words of encouragement to the players. The J.V. squad rallied the crowds in a show of support for their Trucker teams.

1983-84 JV Cheerleading Squad. First Row: Jackie Weston, Bonnie Babb, Kim Burr. **Second Row:** Shelley Lytoon-White, Christie Norton, Suzanne Kline, Deanna Wynne, Lisa Morgan, Teresa Slezak. **Third Row:** Susan Duke, Michelle Martin, Nellie Vandendugen, Leann Cherry, Susan Neville.

Captains: Leading the cheers for the junior varsity this year were captains Jackie Weston, Bonnie Babb and Kim Burr.

Varsity Cheerleaders Keep "Truckin' On By!"

Team Spirit. The 1983-84 Varsity Cheerleading Squad was lead by captain Colleen Parker and co-captains Kolleen Burr and Andy Akers. Adding to the group were senior cheerleaders Julia Babbitt, Susan Spaugh, Beth Resolute, and Angie Bordonali. Junior cheerleaders Teresa Mank, Cherri Porter, Louise Budnick, Kim Huffman, Shelly Burns, Julie Andrews, Danette Daniels, Robyn Twine, Jennifer Chilton and Kim Heise also added their enthusiasm to the CHS Squad.

Varsity cheerleaders were a special asset to the Churchland sports season. While the Trucker teams did not fare well as far as their win-loss records, the Varsity Squad was out there spurring them on with their special Trucker cheers. The girls helped to promote attendance at the football games by gearing up the student body at the pep rallies.

This year's Squad was lead by Captain Colleen Parker and Co-Captains Kolleen Burr and Andy Akers.

The Tradition Continues

The local residents of Portsmouth remember well that fateful night when Coleman's Nursery was destroyed by fire. Arson was found to be the cause behind the blaze that reduced the popular nursery to charred timber and ashes. Much of the renowned Christmas Wonderland was destroyed.

This year after many renovations and remodeling, Coleman's once again opened its doors to shoppers and on-lookers alike. The Christmas displays which were always such a big part of the holiday celebrations reappeared for all to come and enjoy. While the destruction of Coleman's tore at the heart of the Churchland population — its reopening filled them with delight.

Truckin' On By!

Each individual is an important edition to the sum total of life at Churchland High School.

Pep Rallies, Homecoming, Christmas doors, Teacher Appreciation Week all add to the overall picture of Churchland High School. Students and faculty alike get caught up in the "Trucker Spirit" that fills the corridors of the school. Energetic students often devote much of their time and efforts to school-sponsored events. Churchland students kept "truckin' on by!' through a variety of such activities.

Churchland Truckers

It isn't all books, homework and tests that make up life at Churchland High School. While you can walk down the halls and hear Mrs. Dussia explaining the laws of supply and demand, or listen to Mrs. Clements describe the characteristics of fungi, there is a part of CHS that is outside the classroom walls. Students actively participate in a variety of extra-curricular activities such as the athletics or drama.

"with everything changing
yesterday's memories,
today's participation,
tomorrow's plan.
all things must change to something new,
to something strange.
there are places I'll remember all my life,
though some have changed,
some forever,
not far better.
some have gone . . .
. . . and some remain."

Lennon-McCartney

Student life at Churchland takes the form of hard work and study during the day. But at night the students are transformed into energetic fans at basketball and football games and appreciative audiences at CHS productions. Here Julia Kovalcik scrutinizes the bacteria through the microscope while above, Merrill Teemant, joins loyal fans at a basketball game.
